

Dear Fellow Tree Lovers

There are many volunteer opportunities this fall with Tree Fredericksburg and we really need your help. We want to plant 200 trees this fall since we lost so many trees to the storms and drought this summer. We are making it easier to plant this fall by purchasing trees that are not root bound or too tight in the pots. We should have a much easier time of it than we did in the spring. We will be planting on selected Saturdays in October and November (unless it is pouring rain) from 9am to noon. The planting will be in the neighborhoods around town. If you can volunteer, please let me know what dates so I can make sure we have a good crew on hand and enough shovels. Here are the dates

**9am to noon for all days:**

Saturday, October 16<sup>th</sup>

Saturday, October 23<sup>rd</sup>

Saturday, November 20<sup>th</sup>

Saturday, November 27<sup>th</sup>

We will also have some independent work that can be done at any time. If you want to volunteer but cannot make Saturday mornings, please contact me to coordinate independent volunteer activities.

Please call or email to let me know if you can help. Also please feel free to pass this email to anyone else. We are always looking for groups (churches, clubs, scouts,, offices, schools) to volunteer together. What a great way to do some team building for your group!!
